Our visit to a remote village

Date : 18th sept. 2014

Place : Rajkot

Our school is always organized a Project tour every year. This year, our school has also organized the visit to a remote village. It was some kind of Project work. This tour was held in a small village of Rajkot.

About 30 boys of our school visited this village. We were surprised to see the all village.

In this village, many facilities are given to the villagers, like water, electricity, education etc. There was a one health centre also. The roads of this village are clean and very good. There was a one school and a big water tank also. I like very much this village. We all were happy to see the whole village.

According to me, this village is very developed village. Thus, our visit to a remote village was success and we all completed our Project work.
